

SafeLine wire holder bracket

Product no: 34300

Ladder fixing piece for wire holder

Product no: 34301

Glider stopper kit for ladders

Product no: 34303

Glider end stop for wire holder bracket

Product no: 34306

SafeLine wire ending bracket

Product no: 34323

M8 flange bolt 20 mm and M8 flange nut

Flange bolt, serrated, Product no: 82443

Flange nut, serrated, special treated, Product no: 82468

Wire end protector

Product no: 34325

Glider for 8 mm steel rope

Product no: 34318

8 mm wire with terminals

1 m - 30 m (every meter)

Product no: 34000 - 34029

8 mm wire

Product no: 34050 8 mm ss wire, custom length < 50 m

Product no: 34250 8 mm ss wire 10 m

Product no: 34251 8 mm ss wire 20 m

Product no: 34252 8 mm ss wire 50 m

8 mm wire reel

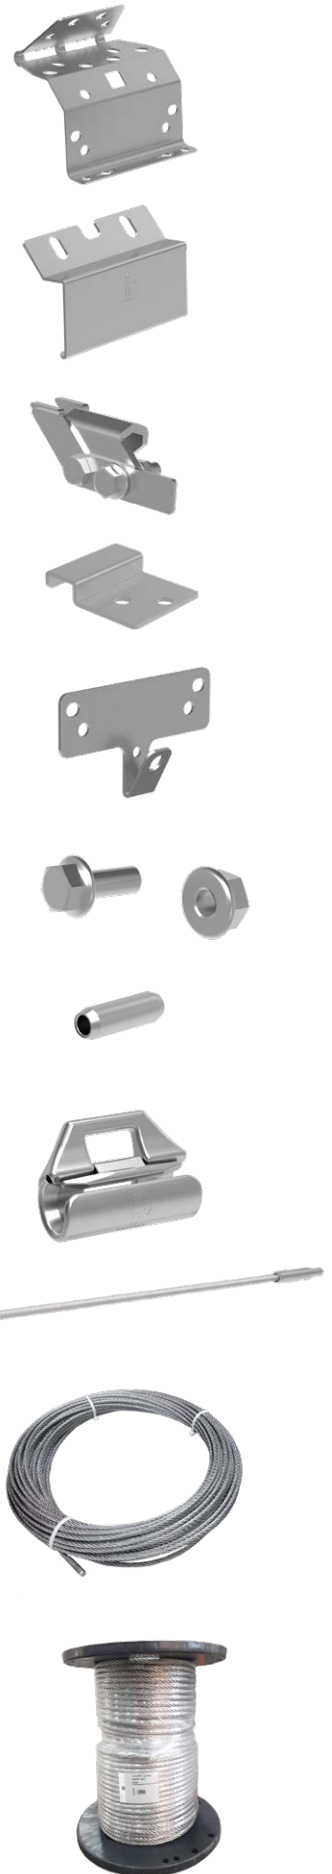

Product no: 34253 8 mm ss wire reel 100 m

Product no: 34254 8 mm ss wire reel 500 m

Product no: 34255 8 mm ss wire reel 1000 m

Product no: 34256 8 mm ss wire reel 1500 m

Product no: 34257 8 mm ss wire reel, custom length > 50 m

Recommended equipment working with wire

For cutting the wire: Milwaukee threaded rod cutter M18 BLTRC-0X (4933471150) + M18 BLTRC cutting dies (4932471372)

For crimping the wire end protector: Milwaukee crimper M18 HCCT-201C (4933451194) + crimping dies

CRIMP DIE R22 CU 35 (4932451757)
